

PARTNERING WITH PARENTS

Partnering with Parents primarily serves families in Mower and Freeborn counties. This program provides a continuum of secondary prevention services that strengthen families by increasing research-based protective factors:

- parental resilience
- social connections
- knowledge of parenting and child development
- concrete supports in times of need
- children's social and emotional competence and cultural relevance and affirmation.

SERVICES INCLUDE

- **Parent2Parent** is a peer support program, coordinated through the Parent WarmLine telephone service. This service matches you with parents that have “been there”, and aims to assist you in such areas of teenage pregnancy, ADHD, mental health, and others.
- **Parenting Education** sessions, emphasizing safe discipline methods, are taught by professional parent educators for parents challenged by multiple risk factors.
- **Individual Parent Education** sessions which are available to any parent and/or guardian. Sessions are an hour in length over a period of 6 to 8 sessions. These sessions include topics of parent education identified by the referring agency (if applicable) and the need and want of the parent. A sliding fee scale is available based on gross income and circumstance.
