## HOME CHILD CARE

### ABOUT CATHERWOOD

Catherwood Home Child Care is owned and operated by the Parenting Resource Center, Inc.

Established in March 2000, Catherwood provides child care to the community of Austin and the surrounding communities.

Catherwood participates in the Child Care Assistance Program (CCA), and the Child and Adult Care Food Program (CACFP).

### WHAT MAKES US DIFFERENT

Our staff-to-child ratios allow us to work closely with children in a small group. Catherwood can transport children to four different schools and this service is free of charge to parents.

Catherwood utilizes the Gold curriculum and provides preschool programming through Parent Aware.

Catherwood has financial assistance for families that qualify.
