EDUCATION FOR FAMILIES
IN TRANSITION

The Parents forever divorce education sessions are intended to provide support for divorcing parents.

OUR VISION

When parents divorce, it's a major life change for all members of the family. Each family member's emotional, physical, and financial well-being needs to be carefully considered.

Children are often affected for years to come by decisions that divorcing parents make during the initial legal phase of divorce.

The Parents Forever class is intended to provide divorcing couples or those contemplating divorce with the information they need to make decisions that will minimize the stress of this transition on the entire family.

Pre-registration is required. A registration fee of \$60/person is due with the registration form. Divorcing couples are not able to attend together on the same session.
