

WELCOME CENTER

What is the Welcome Center?

A multicultural program that welcomes newcomers, supports them in their transition into the community, and provides access and opportunities for self-sufficiency.

Services Provided

Advocacy & Client Services

We connect clients with necessary community resources to address medical, social, community, legal, financial, educational, and other needs.

- Digital literacy & print services
- Notary Public

Appointments are encouraged to guarantee assistance.

Language Services

Our organization facilitates communication between businesses and limited-English speaking clients.

Our diverse staff helps with interpretations and translations of documents, emails and phone calls for the client.

Creating Community

Community Building

Our community programs are focused on promoting diversity, inclusion, and cultural education. We strive to foster cross-cultural understanding within communities we serve.
